## THE GRAY PAIN REMEDY

Of what value is a remedy for the whooping-cough unless that disease be present? You would never have much call for a yellow-fever remedy in a country where that disease was unknown. But tell us, where in the wide, wide world will you find a home-unacquainted with pain? Therefore, the world is our field; and wherever pain exists, there the pain-relieving Anti-Kamnia Tablets should be.

The name itself suggests what the remedy is and what its remedial characteristics are: Anti (Greek, *Anti*), opposed to; Kamnia (Greek, *Kamnia*), pain—ergo, a remedy to relieve pain and suffering. For headaches and neuralgias of all descriptions; the nervous disturbance from excessive brain work; the insomnia, depression, and after-effects resulting from excesses in eating or drinking; the acute pains at the time of period; the muscular aches, general malaise, frontal headaches and sneezing incident to severe colds; and in fact, for all conditions in which pain is prominent, Anti-Kamnia Tablets are unsurpassed. In the pains of the grippe and its after-effects; in chills and fever, colds in the head; in women's ills; in sciatica, acute or chronic rheumatism and gout; in intermittent and malarial fevers; in bronchitis, pleurisy and tuberculosis; in sleeplessness and worry—in all these affections where a remedy is needed to relieve pain, to quiet the nervous system or to control the fever, Anti-Kamnia Tablets will be found superior to any other remedy.

## When To Take Anti-Kamnia Tablets

As a Pain Reliever—In headache, migraine, coryza, la grippe and its after-effects, the lightning pains of locomotor ataxia and all pain due to irregular menstruation. As an Anodyne or Sedative—In alcoholic delirium, indigestion, gastralgia, dyspepsia, hysteria, insomnia, inebriety, car-sickness, seasickness, worry and sight-seer's fatigue. As an Antipyretic—In intermittent, puerperal and malarial fevers, bronchitis, pleurisy, and tuberculosis. As an Anti-Neuralgic—In acute or chronic neuralgia, facial neuralgia, carache, pain about the teeth, pains of locomotor ataxia and sciatica. As an Anti-Rheumatic—In acute or chronic rheumatism and gout, fever and pleurodynia. They are particularly serviceable in relieving the persistent headache which accompanies nervousness. In the various neuralgias, particularly sciatica, and in the nervous tremor so often seen in confirmed drunkards, they are of peculiar service. Only the vivid picture of a crisis in locomotor ataxia, or the agony of a true migraine, can impress the observer with the full value of this excellent Pain-Reliever. All genuine Anti-Kamnia Tablets bear the AK monogram. At all druggists in any quantity desired. Ask for A-K Tablets. For Eczema and Skin Troubles There is Nothing Like Anti-Kamnia (A-K) Salve. TRY IT.

## TO DEATH CELL

In the Penitentiary is a Cabell County Negro Sentenced to Die Removed.

Silas Jones, the condemned negro from Cabell county, who is under sentence to hang today, June 12, was removed from his cell in the south hall of the state penitentiary at Moundsville to a cell in the death house Friday. Once in the death house he will have to wait there alive, is through an act of clemency on the part of the governor.

Although the negro has wealthy and influential friends at Huntington who are trying to prevail upon Governor Hatfield to commute his sentence, the indications are that their efforts will prove fruitless.

## COUNCIL MEETING.

Briefs from New Fair Ground Woman's Christian Temperance Union.

Tuesday, June 2, the New Fair Ground Woman's Christian Temperance Union met at the home of Mrs. John L. Webster. After the business session a program was rendered by the following ladies: Nora Riley, Eva West, Minnie Morrison and Mary Davison, followed by Scripture lesson study of Hebrews, third chapter. An impressive service was the welcoming of new members, namely: Mrs. Nellie McWhorter, Minnie Morrison and Emma Kemper. The members voted for a vacation until September. After song and prayer the business session adjourned, after which the hostess, assisted by her daughter, Miss Mary, served a strawberry luncheon. May we live to enjoy many more afternoons with her, was the combined wish of her friends.

The union will observe National Flower Mission Day Tuesday June 9, assisted by the girls and boys from the play ground department, at the Jacobs at 1:30 p. m. All are invited to go and take flowers, which will be sent to the hospitals and jails, and also take reading matter and cards. A program will be rendered.

## GETS A YEAR.

FLORENCE, Italy, June 5.—The plea of "extenuating circumstances" was accepted today in behalf of V. Perugia, who stole "Mona Lisa" from the Louvre in Paris. The judges sentenced him today to one year and fifteen days imprisonment. As he has been in prison awaiting trial he will serve only about six months.

## Eckman's Alternative

Glandular trouble, very frequently diagnosed by physicians as "Tuberculosis in the Glands," has been found to yield to Eckman's Alternative when other treatments did not bring relief. Eckman's Alternative is a medicine which during the past fifteen years has brought about many recoveries even in a number of supposed hopeless cases. Read this:—

257 Lauriston St., Phila., Pa. "Gentlemen: In March, 1906, my doctor pronounced my case 'Tuberculosis in the Glands' and a number of operations in a hospital failed to benefit me. In the meantime a friend of mine advised Eckman's Alternative. The wounds in my neck were still open and in a frightful condition when I started using it. After using two bottles I found I was improving, having gained weight, could eat and was able to sleep. I continued using it until I was well, which was in November, 1910. On November 11, 1910, I started to work and since that time I have not lost one day's work through sickness. I highly recommend Eckman's Alternative to any one who is suffering from gland trouble." (Address) JOSEPH B. WHITE. (Above abbreviated; more on request.)

Eckman's Alternative has been proven by many years' test to be most efficacious for severe Throat and Lung Affections, Bronchitis, Bronchial Asthma, Scrophulous Colds and in rebuilding the system. Contains no narcotics, poisons or habit-forming drugs. Ask for booklet telling of recoveries, and write to Eckman Laboratory, Philadelphia, Pa., for evidence. For sale by all leading druggists.
